

PLAYER ROTATION POLICY

1. ROTATION THROUGHOUT THE 14 WEEK SEASON

- a) All coaches will rotate court time for their players equally throughout the season and keep a record of time allocated off for each player.
- b) Where a player is unable to attend a game for their own personal reasons (on holidays, another engagement etc) normal rotation will still apply.
- c) Where a player is unable to attend a game for medical reasons (illness or injury) where possible, the coach will make every attempt to regain some of the missed court time for that player.
- d) If there are any issues raised by parents of players regarding court time rotations, please request that the parent contact the Committee in writing at sec@teatreegullynetball.org.au

2. FINALS

If a team is successful at reaching the Finals then all members of the team will be allocated time on court during the Finals matches.

It is at the coach's discretion as to how much time is given to each player on court throughout the Finals. One or more of the same players may get less than a full game each week during Finals.

It is the Policy of the TTGNC to ensure that all teams reaching Finals put forward their strongest players, while still ensuring that all players within the team have some court time within the Finals matches.
