

# TEA TREE GULLY NETBALL CLUB

## **Application for Selection Review – Must be submitted within 7 days of team announcement.**

**Before submitting this form, please read the following information carefully.**

1. Tea Tree Gully Netball Club (TTGNC) appoints Grading Committee for each grade based on their experience and expertise. The Club has the confidence this Grading Committee that they will honestly and fairly assess the players and place them in teams accordingly.
2. There is no preconceived team selection prior to the commencement of trials as there are always new players to the Club and players coming into higher divisions due to age qualifications.
3. During the selection process, Grading Committee must assess each player individually and collectively, taking notice of such attributes as their netball skills, agility, decision making, court awareness and occasionally their readiness to compete at a higher level.
4. Additionally, taken into account is the number of players entering new divisions as they age.
5. Whilst assessing all players the Grading Committee must judge the best fit for each team they are selecting and for the Club as a whole. This ensures all court positions are filled in each team and each team has the flexibility to cover injury, illness or other legitimate absences.
6. At trials, each player is guaranteed two matches, one game each in their first two position preferences.
7. During trials due to the large number of (eg centre court area) it may be necessary for the goal third players to play more than their allocation in order to give the centre court players their allocated two games.
